The Pilkington Family Trust

The Trust Fund aims to offer support to our beneficiaries when it is needed. This support comes in many different forms – home visiting, offering guidance and advice, liaising with other appropriate organisations and possibly the provision of care services.

To direct our charitable resources to those people who need it most, we will discuss your circumstances confidentially with you and assess how your needs are best met and by whom as there is a qualifying criteria. For more information ring 01744 742529.

A Welfare Officer may call out to see you to offer advice and information or to help with a particular problem. The Connections letter is sent out to those people who do not wish to be visited, to enquire as to your well-being.

A Gardening Grant may be available to people who are unable to maintain their garden and have no family who can do it for them.

Link up is a scheme introduced to maintain regular contact with people who may be experiencing loneliness. Janet will ring on a regular basis just for a chat or to offer help and advice.

Re-union Lunches are arranged across the country to allow former colleagues and work-mates to catch up with each other.

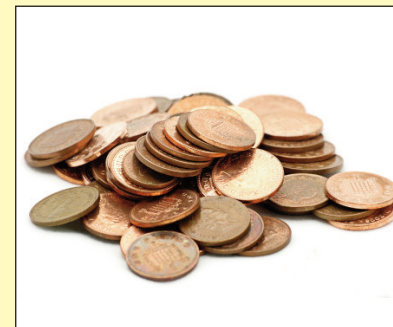

Domestic Service – this is for people who are unable to do their own housework and have no family to help.

Ruskin Lodge is our Respite Care Home which enables beneficiaries, and employees who are carers, to have a rest from their caring role.

Carewatch is a scheme which allows carers free time for them to pursue activities they may want to undertake whilst the person they are caring for is looked after.

In particular cases of hardship a Discretionary Grant may be paid to help people through a difficult time.

A Hairdressing Grant may be available for people who cannot get out to a salon and have no family to take them. This enables them to have a mobile hairdresser
